Chapter 1

1. Definitions

Same as given in LDA Land Use Rules 2020.

2. Land Use Classes

(1) There shall be following land use classes:
   (a) residential;
   (b) commercial;
   (c) industrial;
   (d) institutional;
   (e) mixed use;
   (f) open space & recreational;
   (g) peri-urban;
   (h) special development zone;
   (i) agricultural; and
   (j) notified area.

(2) The land use in each land use class shall be as under:
   (a) **Permitted use:** The landuse which is allowed in each land use class under the rules.
   (b) **Permissible use:** The landuse, though not permitted, may be allowed by the planning and design committee subject to the payment of the fee.
   (c) **Prohibited use:** The land use, which is neither permitted nor permissible.

(3) The Authority shall ensure that the land use provisions under the permitted, permissible and prohibited use are strictly followed in each land use class.

(4) The Planning and Design Committee may grant permission for permissible use listed under each land use class subject to the special rules, regulations, restrictions, payment of fee where applicable under the rules and the relevant policy.

(5) The Authority shall not allow a person to use a property in any land use class for a purpose which is neither permitted nor permissible.

(6) No person shall be authorized to use land or construct a building except in accordance with the land use approved for that particular land.

(7) The Planning and Design Committee may demand no objection certificate where deemed necessary or other documents where deemed necessary.

(8) The requirement of Right of Way given in permissible uses will be applicable in Lahore district, whereas in other districts the R.O.W will be 20 feet.

(x) farm;
(xi) recreational club or resort;
(xii) shooting range;
(xiii) swimming pool;
(xiv) library; and
(xv) zoological garden.

8. Land Use in Peri-Urban Area

(1) The Authority shall specify land use of various parcels of land falling in a peri-urban area.

(2) The permitted, permissible and prohibited use of the same categories shall strictly apply to the specified land use under provisions of the prevailing Lahore Development Authority Master Plan Rules.

(3) The peri-urban area shall be considered residential until the land use is specified.

(4) The conversion, if allowed, shall be subject to payment of conversion fee under the rules.

9. Special Development Zone

(1) The Authority shall specify land use of various parcels of land falling under special development zone.

(2) The Authority shall notify the permitted, permissible and prohibited use, restriction and scale of fee as part of the building regulations in a zone.
(3) The Authority may declare any specific use or number of uses in a special development zone and it shall be incorporated in the master plan.

10. Agricultural Area

(1) The Authority shall notify the area falling outside the peri-urban area as agriculture area.

(2) The permitted and permissible land use of the Agriculture is as under:

(a) Permitted Use

(i) crop;
(ii) orchard;
(iii) pasture land;
(iv) livestock such as dairy or poultry farm;
(v) forest;
(vi) nursery or a green house, horticulture;
(vii) tube well;
(viii) existing rural settlement or village;
(ix) place of worship or prayer;
(x) place of burial or cremation;
(xi) agricultural machinery workshop;
(xii) basic health unit;
(xiii) public or private recreational park;
(xiv) corner shop less than 450 square feet on ground floor;
(xv) house within and contiguous to rural settlement;
(xvi) farm house within the boundaries of a farm if the minimum area of the farm is not less than four kanals. Farm house on a plot of an area not less than 4 kanals and coverage of residential building upto 30% for total area of the site area upto 40 kanal (for area above 40 kanals the coverage will not be more than 30% of 40 kanal);
(xvii) warehouse on land parcel measuring area up to 10,000 square feet with right of way of road not less than 60 feet used for general storage activities of agricultural goods which are non-hazardous in nature.

11. Establishment of Industrial Project and Industrial Estate in Agricultural Area

The request for establishment of industrial project received from any Government department for conversion of land use in agriculture area, not prone to flooding, for special institutional projects pertaining to public and private sector industrial institutions shall be considered by the Authority subject to the following requirements:

(a) minimum land not less than twenty acres (160 kanal);
(b) payment of conversion charges applicable at the rate 10% as per valuation table for the intended use of the project;
(c) Investment excluding land cost is directly proportional or more than the ratio given below:
   (i) minimum investment of two billion rupees upto twenty acres in District Lahore and one hundred million rupees for each additional acre; and
   (ii) minimum investment of one billion rupees upto twenty acres in the districts other than District Lahore and fifty million rupees for each additional acre;
(d) such industry or industrial estate is not hazardous and involves the concepts of industrial ecology and minimizes waste production to biodegradable wastes (which may be used for power generation or as a fertilizer for the adjacent agriculture areas);
(e) After conversion for Industrial Project, Building Plan shall be approved by the competent authority within a period of two years and for industrial estates the requirement of approval of layout plan and completion of development work will be fulfilled within 03 years by the applicant.
However, an extension of one year may be granted on the request of the concerned Government institution; and

The Industrial Project/Industrial Estate shall include twenty trees of native fruits having minimum six feet height per acre in the project area. If the requirement mentioned at (e) above are not fulfilled within prescribed time, 20% of the conversion charges shall be forfeited and remaining shall be released back to the sponsor or Government institution and the land use of the project area shall be reverted to the original use as defined in the master plan.

12. Establishment of Health and Educational Project in Agriculture Area

The request for establishment of health and educational project received from any Government department for conversion of land use in agriculture area, not prone to flooding, for special development projects pertaining to public and private health and educational institutions shall be considered by the Authority subject to the following requirements:

(a) minimum land not less than ten acres (80 kanal);

(b) payment of conversion charges applicable as per valuation table for the intended use of the project and no instalment shall be allowed;

(c) investment excluding land cost is directly proportional or more than the ratio given below:

(i) minimum investment of two hundred million rupees up to ten acres in District Lahore and ten million rupees for each additional acre; and

(ii) minimum investment of one hundred million rupees up to ten acres in the districts other than District Lahore and five million rupees for each additional acre;

(d) after conversion, building plan shall be approved by the competent authority within a period of two years. However, an extension of one year may be granted on the request of the concerned Government institution; and

(e) the building plan shall include twenty trees of native fruits having minimum six feet height per acre in the project area. After lapse of three years, if the building plan is not submitted to the competent authority for approval, 20% of the conversion charges shall be forfeited and remaining shall be released back to the sponsor or Government institution and the land use of the project area shall be reverted to the original use as defined in the master plan.

13. Notified Area

(1) The Authority shall ensure strict compliance of the relevant provisions of laws regarding historically significant, environmentally sensitive, public sector institutional, other restricted or an intercity service
areas.

(2) The permitted, permissible and prohibited uses and restrictions, if any, of the notified area shall have effect notwithstanding the permitted and permissible uses of other land use classes under Chapter II and provisions of temporary commercialization under Chapter VII of LDA Land Use Rules 2020.

(3) The Authority shall specify permitted and permissible land uses in the following types of the notified area subject to provisions of notifications issued for such notified area:

   (a) historically significant area;
   (b) environmentally sensitive area;
   (c) public sector institutional area;
   (d) intercity service area; and
   (e) other restricted area.

14. Clearance of Ambiguity

(1) In case of any ambiguity in the classification of land use, the matter shall be referred to the Chief Minister Punjab, which shall decide the matter within thirty days from the date of its receipt.

(2) Authority may permit a land use in any area which is not provided in any of the classifications but such land use shall be near to the land use permitted or permissible in the area.

Chapter III

15. Procedure for Land Use Classification

Same as given in LDA Land Use Rules 2020.

Chapter IV

16. Land Use Re-Classification

Same as given in LDA Land Use Rules 2020.

Chapter V

17. Re-Development Plan

Same as given in LDA Land Use Rules 2020.

Chapter VI

18. Land Use Classification Map, Land Use Reclassification Scheme, Redevelopment Plan, Scrutiny, Approval, Notification and Circulation

Same as given in LDA Land Use Rules 2020.
19. Planning and Design Committee

The planning and design committee shall consist of the following:

(a) Director General, LDA Chairman
(b) Managing Director WASA Member
(c) Chief Engineer, TEPA Member
(d) Chief Metropolitan Planner, LDA Member
(e) Chief Town Planner of the Authority Member
(f) Director Law (Supreme Court Section), LDA or Legal Advisor Member
(g) Director Town Planning (Commercialization), LDA Secretary
(h) Chief Officer of the concerned district, LG&CD Department Member
(i) Additional Deputy Commissioner (Revenue), concerned District Member
(j) Representative of Secretary (HUD& PHE) Member
(k) any member co-opted by the committee. Member

Procedure

i. Planning and design committee shall perform functions in accordance with the provisions of the rules and regulations.
ii. The chairman of planning and design committee may convene a meeting of planning and design committee as he may deem necessary, preferably after every 10-days.
iii. The Planning & Design Committee shall take decision by majority of members present and voting.
iv. One half of the total membership of the committee shall constitute the quorum of the committee.
v. Any defect in the constitution or composition of the Committee shall not invalidate any proceedings of the Committee.

vi. The secretary of committee will prepare the list of the cases and will get permission from Chairman Committee to call the meeting. After permission from chairman, the secretary will circulate the agenda of the meeting to the members of the committee.

vii. Each member of the committee shall liable to verify the information/reports pertaining to the department of concerned member.

20. Grievance Redressal Committee

Any person aggrieved in the matter of fees involving delayed, fortified, chronic litigation cases under LDA Land Use Rules/Policy can apply to the concerned directorate who shall forward the case to following Grievance Redressal Committee to decide the matter of pending cases:

a) DG, LDA Chairman
b) Anyone Member from Governing Body of LDA, to be nominated by the Authority Member
c) CMP, LDA Member
d) CTP, LDA Member
e) Director Law, LDA Member
f) Director Finance, LDA Member

g) Director Town Planning concerned, LDA Secretary

Procedure

a) An aggrieved person as per Rule 28 of LDA Land Use Rules 2020 can apply to the concerned directorate for redressal of grievance or the concerned directorate itself can initiate and place the hardship cases to the Grievance Redressal Committee.

b) After receipt of the application, the chairman of the committee may convene a meeting of committee preferably within 21 days.

c) Any defect in the constitution or composition of the Committee shall not invalidate any proceedings of the Committee.

d) The committee may follow the guidelines and mechanism as defined in sub-rule 14 and 16 of Rule 30, LDA Land Use Rules 2020.

21. Appeal

(1) A person aggrieved by an action taken by any committee constituted under the regulations, may, within thirty days, file an appeal before the Authority. The Authority shall decide the appeal within sixty days and communicate its decision to the parties.

(2) An appeal under the regulations shall consist of an application signed by the aggrieved person and include a copy of the valid computerized national identity card of the aggrieved person, a copy of the impugned order and other relevant documents.

Procedure

a) An aggrieved person as per Rule 29 of LDA Land Use Rules 2020 can apply to the concerned directorate for redressal of grievance or the concerned directorate itself can initiate and place the hardship cases to the Grievance Redressal Committee.

b) The Concerned staff shall forward the case to Chief Town Planner, LDA in order to seek permission to place the case before LDA Governing Body/Authority.

c) The Authority may convene a meeting of committee preferably within a month from the date of application/complaint for such cases.

d) Any defect in the constitution or composition of the Committee shall not invalidate any proceedings of the Committee.

Chapter VII

22. Fee for Conversion of Land Use

The conversion of land use, by preparation, amendment in the master plan, by declaration of peri-urban area under the Lahore Development Authority Master Plan Rules 2014 and by reclassification under Lahore Development Authority Land Use (Classification, Reclassification and Redevelopment) Rules 2009, Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2009, Land Use Rules 2014 or under the rules and properties falling in list A roads permitted for commercial use shall not entitle any person to use the land for such notified, converted,
reclassified use unless the conversion fee is paid in a manner given hereinafter:

<table>
<thead>
<tr>
<th>Land use</th>
<th>Rates</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) on the approved roads as mentioned in list A approved under the land use rules notified from time to time.</td>
<td>(i) 20% of the commercial value of the total area of ownership as provided in the valuation table.</td>
</tr>
<tr>
<td>(b) upon reclassification under the Lahore Development Authority Land Use Rules, 2009, Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2009 or under the rules:</td>
<td>(i) 20% of the commercial value of the total area of ownership as provided in the valuation table.</td>
</tr>
<tr>
<td>(i) From peri-urban, residential, agricultural areas to commercial areas.</td>
<td>(ii) 20% of the (intended land use) value of the total area of ownership as provided in the valuation table.</td>
</tr>
<tr>
<td>(ii) From residential, agricultural, peri-urban to industrial, institutional (subject to height restriction), intercity service area.</td>
<td>(iii) 20% of the commercial value of the total area of ownership as provided in the valuation table.</td>
</tr>
<tr>
<td>(iii) From institutional or industrial and intercity service area to commercial area.</td>
<td></td>
</tr>
<tr>
<td>(c) upon declaration of peri-urban area:</td>
<td>(i) 20% of the residential value of the total area of ownership as provided in the valuation table.</td>
</tr>
<tr>
<td>(i) From agriculture area to residential area.</td>
<td>(ii) 20% of the commercial value of the total area of ownership as provided in the valuation table.</td>
</tr>
<tr>
<td>(ii) From agriculture area to commercial area.</td>
<td>(iii) 20% of the commercial value of the total area of ownership as provided in the valuation table.</td>
</tr>
<tr>
<td>(iii) From agriculture area to industrial, institutional, intercity services.</td>
<td></td>
</tr>
<tr>
<td>(d) On permissible uses under clause (b) of sub-rule (2) of rule 3 of LDA Land Use Rules 2020.</td>
<td>(i) 20% of the commercial value of the total area of ownership as provided in the valuation table, furthermore, for the projects or uses mentioned under rules 13 and 14 of the LDA Land Use Rules 2020, the fee shall be applicable as mentioned in the relevant rules.</td>
</tr>
<tr>
<td>(ii) If valuation table is not available for the purposes mentioned under clause (i) above, the average sale price of preceding twelve months of commercial land in vicinity shall be considered.</td>
<td></td>
</tr>
<tr>
<td>(iii) If the owner of the premises has already paid the conversion fee for intuitional use and intends to get the property commercialized subject to provision of the rules, he shall pay only ten percent commercialization fee on prevailing rates.</td>
<td></td>
</tr>
<tr>
<td>(iv) If the owner of the premises has already paid the conversion fee and seeks permission for permissible</td>
<td></td>
</tr>
</tbody>
</table>
(e) Upon declaration of residential-cum-commercial zone under sub-rule (12) of rule 37 of LDA Land Use Rules 2020, 10% of the commercial value of the total area of the ownership, as provided in the valuation table. 

Note: In valuation table the column existing about covered area charges are not applicable.

In the case, if the rate of any parcel of land is not available in the valuation table as per clause (a) and (d)(ii), the land use conversion charges will be calculated on the basis of the formula given in the DC Valuation table and the higher rates to be calculated/observed will be applicable on that parcel of land.

Furthermore, in the case of land use conversion of amalgamated plots, the rate will only be applicable on the additional area to be amalgamated in already commercialized/converted property. The conversion rates will be applicable with respect to the rate of the abutting property on the road.

In case of Khasra number(s) which are/is considered to be commercialized for a road in List-A, the conversion charges on all khasras will be applicable at the rate of the abutting khasra on the road.

**Scrutiny Fee**

The Scrutiny fee for the cases mentioned in sub-rule (1) of LDA Land Use Rules 2020, shall be levied as follows:

<table>

**Exemption of Fee to philanthropic/ Charitable NPO**

The Authority shall not levy conversion fee except scrutiny fee for the conversion of land use to an educational or a healthcare institutional use if the proposed educational institution or healthcare institution:

a) is owned by a philanthropic, charitable or non-profit organization duly registered by the FBR; and

b) provide undertaking that the organization shall provides services to the needy or the poor, free of cost or on no profit basis, in case of any violation, the offer shall stand withdrawn and fine/penalty shall be imposed as decided by the Authority

**In Case Property is Rented**

In case, the property is rented, the Authority may, subject to fulfillment of conditions mentioned above and provision of valid lease agreement, allow for use of such property as educational and healthcare institution, orphanage, philanthropic, charitable or not-for-profit organization, without levy of conversion fee. The Authority may also, on the request of the institution and on the production of the valid lease agreement, grant annual renewal of such permission.

**Payment of Fee in Instalments**

a) After submission of 20% lump sum fee to Authority, the Authority may allow payment of remaining fee in seven
equal installments, once over a period of two or three years. In case of three years installment plan, the case shall be forwarded to the Director General, of the Authority for approval and the stipulated time period shall start from the date of issuance of 1st demand challan.

b) In case of no installment, full conversion fee shall be deposited within one year subject to sub-rules (10), (11) and (12) of the rule 30 of LDA Land Use Rules 2020. In case of full payment within forty-five days of the issuance of 1st demand challan, a rebate of 5% in the conversion fee shall be given to the applicant. The stipulated time period shall start from the date of issuance of 1st demand challan.

c) The building plan of the proposed commercial building may be sanctioned and released up to plinth level on payment of first installment of commercialization fee. The plans up to thirty-eight feet height may be released after payment of further three installments and the plans above thirty-eight feet height may be released after payment of complete installments of commercialization fee.

d) The owner may provide bank guarantee of each installment of commercialization fee in line with the payment schedule and get the release of sanctioned building plan and as soon as the installment of commercialization fee is paid, the bank guarantee may be released in proportionate to the fee deposited.

e) In case of default of payment of one or more installments of land use conversion fee, the competent authority shall impose a surcharge @ 1.5% per month, on the delayed amount of fee from the date of default till the date of payment.

Provision of Extended Time Period Facility to Pay Conversion Fee

a) In case of no installment plan, if the owner does not deposit any conversion fee within forty-five days mentioned on 1st demand challan, he may be allowed once to pay the fee within extended period of forty-five days. Extension period shall start from the due date as mentioned in the 1st demand challan. If the no payment is made in the extended time period:

(i) no surcharge shall be levied but conversion fee at prevailing DC rate shall be charged, if fiscal year has lapsed; or
(ii) surcharge @17.5% per annum shall be levied from due date of issuance of 1st demand challan, if fiscal year has not lapsed.

b) If owner applies for instalments before the expiry of 1st demand challan, time period passed before such request of installments shall be deducted from the time mentioned in sub-rule (5) of the rule 30 of LDA Land Use
Rules 2020. After expiry of 1st demand challan, request for instalments shall not be entertained.

Applicability of Surcharge / Forfeiture of Conversion Fee

a) In case of payment of full conversion fee in partial manner in the time frame as given in sub-rule (6) of rule 30 of LDA Land Use Rules 2020, the surcharge @17.5% per annum shall be levied from the due date mentioned in 1st demand challan.

b) In case of failure of payment of full conversion fee in the time frame as given in sub-rule (6) of rule 30 of LDA Land Use Rules 2020, the competent authority, besides withdrawal of offer of conversion of land use, shall forfeit 20% of the deposited fee and remaining fee shall be refunded on demand by the applicant. However, the owner may submit a fresh application for change of land use as per prevalent rules and in such case the forfeited fee shall not be adjusted in any manner.

c) The cases of land use conversion in which advance payment has been made prior to enforcement of the rules but not approved by the competent authority, such cases shall be treated on the basis of DC rate prevalent at the time of submission of advance payment. The deposited amount shall be adjusted and a surcharge of 10% per annum shall be levied on the remaining amount till date of issuance of challan. The remaining amount shall be paid within three months from the date of issuance of challan and in case of failure, 20% of already paid amount shall be forfeited.

d) In case, approval of conversion or permission for land use of a property is granted, the owner or occupier shall display a copy of approval letter on such property.

Mechanism for disposal of delayed/time barred/forfeited cases

The following mechanism shall be adopted for the disposal of delayed/default payment, time barred and forfeited cases or any other pending case prior to the rules:

a) On submission of application within one year of the enforcement of the rules, the cases processed before the notification of the rules, the owner or applicant shall be required to deposit the remaining original amount applicable at the time of approval along with a surcharge of 10% per annum within three months, and in case of failure, 20% of already paid amount shall be forfeited. Remaining amount, if any, shall be refunded on the request of the owner or applicant. Thereafter, if the owner or applicant intends for conversion, he shall apply afresh subject to payment of the conversion fee as per the prevailing rules. However, forfeited fee shall not be adjusted in any manner.
b) the cases for annual commercialization in which demand has already been raised under the repealed Lahore Development Authority Land Use Rules 2014 but the payment has not been made, a surcharge of 17.5% per annum shall be levied.

**Fee for Educational and Health Care Institutions**

Notwithstanding anything contained in sub-rule (1) of the rule 30 of LDA Land Use Rules 2020, the fee for conversion of land use for educational or healthcare institutions shall be as under:

- (a) 10% of the commercial value of the total area of ownership as provided in the valuation table; or
- (b) 10% of the average sale price of commercial land in the vicinity during the preceding twelve months, if valuation table is not available.

### 23. Challan Generation

**Challan of Permanent Commercialization Fee**

(i) After approval of commercialization/change of land use from the Competent Authority, Assistant Director/Dy. Director Town Planning may forward the case with filled SAP Performa to Deputy Director (Revenue), LDA for generation of challan of commercialization fee.

(ii) The Deputy Director (Revenue), LDA shall forward the case to Assistant director (Revenue)/Senior Accountant for verification of commercial rates within a day.

(iii) After Verification of Commercial Rates and necessary calculations, Assistant Director (Revenue) will generate the challan and forward to Deputy Director (Revenue) for approval and signature within two days.

(iv) The Deputy Director (Revenue) will check and forward the challan after signature to Deputy Director Town Planning within one day.

**Challan of Annual Commercialization Fee**

(i) After approval of commercialization/change of land use from the Competent Authority, Assistant Director/Dy. Director Town Planning may forward the case with filled SAP Performa to Deputy Director (Revenue), LDA for generation of challan of commercialization fee.

(ii) The Deputy Director (Revenue), LDA shall forward the case to Assistant director (Revenue)/Senior Accountant for verification of commercial rates.

(iii) After Verification of Commercial Rates and necessary calculations, Assistant Director (Revenue) will generate the challan and forward to Deputy Director (Revenue) for approval and signature.

(iv) The Deputy Director (Revenue) will check and forward the challan after signature to Deputy Director Town Planning.
Calculation of Late Payment Surcharge

(i) The Deputy Director (Revenue) and his/her staff will calculate the late payment surcharge and forward the case to concerned directorate of Town planning for the SAP Performa/C.P.

(ii) The Assistant Director/Dy. Director Town Planning may forward the SAP Performa/C.P. on recommendations of Deputy Director (Revenue).

(iii) After receiving the detail of property through SAP Perfoma/C.P., Deputy Director (Revenue) will issue challan of Late payment surcharge and forward to concern directorate.

Reversal of Challan

The Deputy Director (Revenue), LDA shall have authority to reverse the challan in case:

(i) In case owner paid the fee through pay order and original challan stands unpaid
(ii) In case competent authority approve the instalments and challans of instalments are issued but original challan stands unpaid
(iii) In case applicant withdrew the commercialization and original challan stands unpaid

Extension of Challan

The Deputy Director (Revenue), LDA shall extend the challan on the request of Deputy Director Town Planning, LDA as and when required under these regulations and LDA Land Use Rules 2020.

Cancellation of Challan

The Deputy Director (Revenue), LDA shall cancel the challan on the request of Deputy Director Town Planning, LDA as and when required under these regulations and LDA Land Use Rules 2020.

Calculation of Penalty

The Deputy Director (Revenue), LDA shall issue challan of penalty in following manner:

(i) The Assistant Director/Dy. Director Town Planning forward the case to Dy. Director (Recovery) for the report to calculate the days till the illegal commercial use.
(ii) The Dy. Director (Recovery) may after seeking the report from the staff and forward back to Dy. Director Town Planning.
(iii) The Dy. Director Town Planning forwards the same to Dy. Director (Revenue) for issuance and calculation of penalty as per rate mentioned earlier.

24. Betterment Fee

Same as given in LDA Land Use Rules 2020.

25. Prohibition

Same as given in LDA Land Use Rules 2020.
26. Temporary Commercialization

(1) The Authority shall not entertain any fresh application for grant of temporary or annual commercialization permission.

(2) Already approved temporary or annual commercialized property shall be eliminated gradually and the temporary or annual commercialization shall be phased out till 30.06.2024.

(3) The owner or occupant of temporary or annual commercialized property shall provide consent or undertaking in writing that he shall eliminate the commercial activity before 30.06.2024.

i. The renewal will be granted upon provision of undertaking/written consent to eliminate commercial activity as prescribed earlier.

(4) The fee for temporary or annual commercialization shall be charged on annual basis at the rate of 1.25% commercial value of the total land owned as per prevailing valuation table and for educational/health, the fee shall be charged 50% of Temporary commercialization fee.

(5) The fee shall be payable in two equal installments during a financial year and in case of non-payment of fee within the stipulated time, a surcharge at the rate of 17.5% per annum shall be levied.

(6) The owner or occupant of temporary or annual commercialized property shall fulfil the parking requirements as per building regulations, if any. A grace period of one year may be given to the owner or occupant for arranging the parking; otherwise the Authority shall cancel the permission immediately. Further details as given in LDA Land Use Rules 2020.

Chapter IX

27. Miscellaneous

Same as given in LDA Land Use Rules 2020 adding with:

Uses allowed in List-A Roads

The List-A roads are allowed for the change of land use both permitted and permissible as per the procedure defined in the rules and regulations. For List –A road, uses defined alongwith List will be considered as commercial uses of that road including the uses allowed as per Rule 5 of LDA Land Use Rules 2020.

Amalgamation of Plots

In cases where the commercialization have already been allowed prior to notification of the rules, amalgamation of adjacent plots up to a maximum of equal area may be allowed once either on sides or back of the existing or constructed commercial or health or educational buildings having different land uses falling on list ‘A’ roads. Similarly, the properties falling on list ‘B’ roads may be approved by the Authority on case to case basis. The conversion fee shall be applicable along with following conditions:

(a) the building regulations shall apply:
(b) in case the adjacent plot is at the back of the existing plot, the entry or exit shall be allowed from front only;
(c) in case of existing building or structure with illegal land use, it may be allowed to be amalgamated after payment of penalty as determined by the Authority; and
(d) fee shall be charged at the rate of 20% of the commercial value of the total area of ownership as provided in the valuation table and for educational and healthcare institutions fee shall be charged at the rate of 10% of the commercial value of the total area of ownership as provided in the valuation table.
(e) In case plot/property falling on Canal Road (from Thokar to Jallo), amalgamation of plot in the direction of canal road shall not be allowed.
(f) the amalgamation shall be allowed only if the additional land falls in same scheme (private or regular) or same area (controlled area other than private or regular scheme).

Uses of Industrial Estates and Industrial Plots
The Industrial plots falling in industrial estates and any approved scheme shall not be converted to any other use. The uses of such plots shall be same as defined in the industrial estate and approved scheme plan.

Fee on Zones of Master Plan
The conversion fee shall not be charged on permitted uses of different zones of Master Plan as defined in different land use classes of LDA Land Use Rules 2020.

Jurisdiction
The jurisdiction of Lahore Development Authority is whole Lahore Division except the Lahore Cantonment Area, Walton Cantonment Board area, DHA or any other restricted area if any.

Reclassification and Master Plan uses
The uses defined in different Land Use Classes in LDA Land Use Rules 2020 shall be applicable for Master Plan as well as Reclassification plan.

Interpretation
Governing Body may take suitable decisions on any matters arising as a result of doubtful interpretation of Land Use Regulations or such matters, which may not have been specifically covered in them.

Delegation
The Authority may delegate all or any of the powers as laid down in Building Regulations to any of its officers for the purposes of their implementation.

Status of Land in River Ravi Urban Development Project
The land which falls in notified area of River Ravi Urban Development Project shall not be allowed for change of land use.
Gulberg Re-classification

Land Use Re-Classification map of Gulberg Scheme has been notified under rule 42 of Land Use (Classification, Reclassification and Re-development) Rules 2009 vide notification no_TP/LDA/590-S/CMP/152dated01-02-2012 with different height restrictions in different zones i.e. institutional Zone (health, education, offices with max height 70 Ft) in Dark Pink color and institutional Zone (health, education, offices etc with max height 38 Ft) in Light Pink color was allowed. Now, height of the buildings will be applicable as per prevailing building and zoning regulations.

In addition to the uses highlighted in the Re-classification map of Gulberg Scheme, permitted, permissible and prohibited uses mentioned in the Land Use Rules 2020 shall be allowed subject to the payment of conversion fee.

28. Regulations for Area Development Project

"Area Development Project" means a project on an area of more than 24 Kanals but less than 200 Kanals in areas other than approved schemes (as mentioned in residential, commercial, institutional and mixed land use classes under the rules) and also in list-A roads wherein all permitted, permissible and mixed use can be allowed except industrial uses and hazardous or environment sensitive uses with certain conditions and standards as prescribed under the rules, Building and Zoning Regulations and planning and design committee to seek approval from the Authority.

Area development project will be allowed in areas as mentioned in LDA Land Use Rules 2020. Specifications regarding area development project are mentioned as under:

i. Plot size for such project shall be more than 24-K and not more than 200-K
ii. The minimum Right of Way (ROW) shall be 80 feet and for established built up area the same shall be 60 feet.
iii. It is a premises used for mix land uses except industrial land uses
iv. The area development project may be executed as a single project or sub-divided after submission of case to Metropolitan Planning Wing on payment of scrutiny fee. The Deputy Director, Metropolitan Planning shall forward the case to the Director, Metropolitan Planning with the recommendations for approval. Sub-division may be allowed by the DG, LDA once with the following conditions:
   (a) minimum plot size after sub-division is not less than four marla;
   (b) internal road circulation between plots is not less than forty feet;
   (c) parking area of a minimum thirty feet is given in front of plots;
   (d) minimum 5% of the area is used for open space;
   (e) at least 1% of the total area is used for public utilities and amenities;
(f) building regulations of civic center shall be applicable after leaving mandatory open spaces and building line of the main plot;

(g) for area or pocket of land falling within the boundary of private housing scheme, no objection certificate from sponsor or management shall be mandatory;

(h) construction in area development project shall be multi-storey and multi-purpose; and

(i) Commercialization charges for area development project falling in commercial zone shall be payable if not already paid.

v. Mandatory Spaces should be provided first and sub-division shall be allowed on the resultant plot.

vi. In case of sub-divisions in the Area Development Project, the building regulations shall be applicable on the resultant plots and road width.

vii. In case property falls on List-B Road, then the case shall be treated as per zone in which the property falls.

viii. In case of single project, the category of sky-scrapper can be achieved regardless of the Right of Way (ROW).

Note: Apart from Special Regulations, all other provisions of prevailing Building Regulations shall remain applicable

**Procedure**

a) The cases related to Area Development Project shall be forwarded after fulfilment of all codal formalities to Planning & design Committee for appropriate decision.  
b) Planning & Design Committee may recommend the case to Authority for final approval if found correct.  
c) **The Authority/LDA Governing Body if satisfied may grant final approval.**  
d) After approval from LDA Governing Body, challan of conversion fee will be issued at the rate of 20%

**29. The Special Commercialization Committee**

The following special commercialization committee is constituted who shall give its recommendations to the Authority for review of declared frozen road(s) and reclassification of new road(s):

(a) Director General, LDA  
(b) Deputy Commissioner of concerned district  
(c) Chief Traffic Officer of concerned district  
(d) Chief Metropolitan Planner, LDA  
(e) Chief Engineer, TEPA  
(f) Managing Director, WASA  
(g) Chief Town Planner, LDA  
(h) Representative of Secretary (HUD & PHE) not below the rank of BS-18  
(i) Representative of Secretary LG&CD Department not below the rank of BS-18  
(j) any co-opted member(s) to be nominated by the committee/Authority.

**30. Review of Frozen Roads (procedure)**

a) **In the case of LDA approved regular schemes, the procedure of classification and reclassification of LDA Land Use Rules 2020 shall be adopted.** Whereas, in areas other than LDA approved regular schemes, the committee shall review the frozen roads/segments of the roads.
b) The chairman of committee may convene a meeting of as he may deem necessary.
c) Any defect in the constitution or composition of the Committee shall not invalidate any proceedings of the Committee.
d) The committee shall conduct survey of frozen roads and identified the properties converted legally or illegally to commercial use.
e) The Authority shall conduct survey of the listed roads and identify the properties legally or illegally converted to commercial use.
f) The Special Committee shall review the listed roads and shall:
   i. Assess and decide the suitability for placing the road in a notified category of land use; and
   ii. Identify any restrictions to be imposed on any of the selected road regarding minimum size of plot, type of commercial activity, building height, building line or any other design parameters.
g) The Special Committee may keep in view the following factors for deciding the future use of the listed roads:
   i. potential for up gradation of serving road network;
   ii. potential for up gradation of existing infrastructure;
   iii. traffic impact assessment;
   iv. trend of changes in the existing land uses;
   v. market demand for change of land use in the area;
   vi. compatibility with adjoining land uses; and
   vii. consultation with the stakeholders.
h) The Special Committee shall forward the recommendations to the Governing body of the Authority about:
   i. List A Roads or segments of Roads which may be permitted for future commercial use with or without any restrictions; and
   ii. The remaining frozen roads not allowed for any commercial use, shall be considered as per original landuse of the Scheme Plan/Master Plan.

31. Residential Cum-Commercial

The Authority may declare any area(s) as residential-cum-commercial zone in LDA approved schemes or its controlled area. The properties falling in such zones will be allowed to use building as commercial on lower ground or ground and residential on upper floors. Furthermore the height of building
shall not exceed forty-eight feet and provision of parking and other standards shall be decided by the Authority.

**Procedure**

1. Permission may be sought from the Authority for declaration of any area as residential cum-commercial zone in LDA Controlled area.
2. Following procedure may be adopted for conversion as residential cum commercial area:
   a) Survey of project area and identify the properties legally or illegally converted to commercial use.
   b) Survey of project area and identify the height of building and No. of storeys.
   c) potential for upgradation of serving road network;
   d) potential for upgradation of existing infrastructure;
   e) traffic impact assessment;
   f) trend of changes in the existing land uses;
   g) market demand for change of land use in the area;
   h) compatibility with adjoining land uses; and
   i) consultation with the stakeholders.
   j) Public Consultation:
      i. The Authority shall invite objections or suggestions by giving public notice indicating the proposal for project area, to the key stakeholders of the area and in at least two leading national Urdu and one national English newspapers;
      ii. The Authority shall arrange seminar on a specified date, time and place.
   k) The Chief Town Planner shall forward the proposed plan of residential Cum-Commercial zone along with recommendations to Planning & Design Committee which may either recommend the proposal or propose amendments.
   l) After the approval from the Planning & Design Committee, the proposal shall be forwarded to the Authority for approval and the Authority may approve, amend, defer or refer back for amendments.
   m) The Authority shall forward the approved plan for Gazette Notification.

36. **Building Line**

The Authority shall fix a building line in a land use reclassification scheme which shall not be less than:

(a) the building line specified in the building regulations;
(b) thirty feet along a road with right of way of eighty feet and above; and
(c) maximum prescribed building line of original plot; and
(d) ten feet along any other road.

The Authority shall fix a building line/setback in case of land use conversion on List-A Roads which shall not be less than:

(a) as mentioned in Notifications of List-A
(b) if the setback didn't mentioned in List-A then:
   i. on a road having right of way less than 80 feet, the setback shall be 20 feet
   ii. on a road having right of way more than 80 feet, the setback shall be 30 feet

The Authority shall fix a building line/setback in case of land use conversion for permissible uses other than List-A Roads as per prevailing building regulations.

37. Industrial Conversion
   i. An implementation Committee was constituted by the orders of Chief Minster, Punjab on 12.05.2017 with following members:
      1. The Chief Secretary, Punjab (In Chair)
      2. The Secretary Industries Commerce and Investment Deptt., Punjab
      3. The Secretary Local Govt. and Community Development, Deptt. Punjab
      4. The Commissioner, Lahore Division
      5. The Director General, LDA, Lahore
      6. The President Lahore Chamber of Commerce & Industries
      7. The General Manager (Planning & Design), PIEDMC
      8. Member of P&D Board
   ii. The Implementation Committee in its meeting held on 10.06.2017 under the chairmanship of Chief Secretary, Punjab decided the following, for action by LDA
